

ZSIVITAN DIZ

Replacement Syntan

Chemical composition	Phenol condensation product
Activity	ca. 95%
Appearance	Light tan powder
pH - value 1 : 10	3.0 – 4.5
Charge	anionic
Shelf life	Up to 1 year at temperatures between 5 and 40° C.
Dilution	Added Undiluted

Field of application

For chrome and semi-chrome leathers and also chrome free leathers.

Properties

For the retanning of chrome upper leather 2 to 6% of ZSIVITAN DIZ may be used to produce a tight , fine grain with pale coloured leather.

ZSIVITAN DIZ provides leather with good fullness and imparts suppleness to the grain and enhances dye leveling with full shade under normally used acid and direct dyes.

ZSIVITAN DIZ will provide excellent filling when used in combination with ZSIVITAN ACR – resin and ZSIVITAN VEC or other vegetable extracts.

ZSIVITAN DIZ is most particularly suitable for crust leather for both full grain and corrected grain with optimum usage of 2 to 4%.

ZSIVITAN DIZ can replace 25% of vegetable tannin which will lead to a better and quicker penetration of the vegetable tannings with improved grain with smoothness and tensile strength.

ZSIVITAN DIZ can also be used as a bleaching syntan for vegetable tanned leather upto 3% for obtaining uniform bright colour.

Note:

AS THE PRODUCT IS THE COMBINATION OF MANY RAW MATERIALS, THE COLOUR OF THE PRODUCT MAY SLIGHTLY VARY FROM TIME TO TIME. BUT THE TECHNICAL ASPECT OF THE PRODUCT WILL REMAIN SAME AT ALL TIMES.

This information and our technical advice - whether verbal, in writing or by way of trials - are given in good faith but without warranty, and this also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with our General Conditions of Sale and Delivery.
